

Maintenance Check List

mountain	n Compr	cion Dat	-	179	
Address:	510	Tem	orar	pillo	

The following items have been provided and explained to the irrigation system owner or system owner's representative.

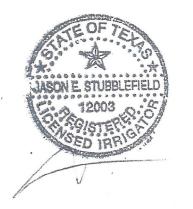

- The manufacturer's manual for the controller.
- A seasonal watering schedule.

Installation Completion Date: 2-9-110

- A list of components that require maintenance and the recommended frequency of maintenance is attached
- A permanent sticker has been attached to the controller indicating the warranty period for the irrigation system and contact information.
- The corrected or re-drawn design plans indicating the actual installation and components of the system.
- · Location and operation of the isolation valve.

Irrigation system owner/representative Date

This irrigation system has been installed in accordance with all applicable state and local laws, ordinances, rules, regulations or orders. I have tested the system and determined that it has been installed according to the irrigation plan and is properly adjusted for the most efficient application of water at this time.
