12.09.2024

This irrigation system has been installed in accordance with all applicable state and local laws, ordinances, rules, regulations or orders. I have tested the system and determined that it has been installed according to the irrigation plan and is properly adjusted for the most efficient application of water at this time.

Irrigation in Texas is regulated by the Texas Commission on Environmental Quality (TCEQ) 140-625, P.O. Box 62587, Austin, Texas 78711-0257. TCEQ's website is: www.texas.texas.gov

NOTE: ALL Piping shown is diagrammatic and NOT illustrating actual location.
